

Katharine Pulvermacher

Selected research and publications

- 2017** [The challenges of providing integrated care for cancer survivors](#). The primary care perspective; the patients' perspective. The policymakers' perspective. Articles. Policy analysis, research, interviews and data analysis. Economist Intelligence Unit.
- [Cancer Survivorship: A Portrait](#). Report. Policy analysis, research, interviews and data analysis. Economist Intelligence Unit.
- [The Next Pandemic? Non-communicable diseases in developing countries](#). Report. Policy analysis, research, interviews and data analysis. Economist Intelligence Unit.
-

- 2016** [Heart Health](#). Policy analysis, research and interviews for Austria, Belgium, France, Germany and Nigeria. [partly published, partly forthcoming]. Economist Intelligence Unit.
- Path to Zero: Fresh thinking on the road to eliminating Hepatitis C. [Bridging the Gap between theory and practice](#). Briefing paper. Economist Intelligence Unit.
- [Path to Zero: Fresh thinking on the road to eliminating Hepatitis C](#). Policy analysis, research and interviews for Croatia, South Africa and Switzerland. Economist Intelligence Unit.
- [Global Microscope 2016: The Enabling Environment for Financial Inclusion](#). Policy analysis and interviews for Madagascar, Nigeria, Rwanda, South Africa, Tanzania and Uganda. Economist Intelligence Unit.
- [Value-based Healthcare: A Global Assessment](#). Policy analysis, research and interviews for Nigeria and South Africa. Economist Intelligence Unit.
-

- 2015** [Deloitte Year-end Holiday Survey 2015: Pinching pennies for presents](#). South African edition. Economic overview.
-

- 2014** [Ethiopia: A Growth Miracle](#). A report aimed at potential investors in Ethiopia, ghost-written for Monitor Deloitte.
- [The Economist Guide to Emerging Markets: the business outlook, opportunities and obstacles](#), Manktelow, A. and Wallin, F. (eds.), sections on corporate sustainability and responsibility (CSR), distribution, Kenya, Nigeria and South Africa. The Economist, April 2014.
-

- 2010 to 2014** Country SWOTs. These two-page publications covered 22 countries in Sub-Saharan Africa, produced on a rolling quarterly basis. Initially responsible for designing and writing each of these, I later edited work submitted by the team's research assistant.
- Africa Business Outlooks. PowerPoint reports covering the top ten markets in Sub-Saharan Africa (South Africa, Nigeria, Ghana, Kenya, Ethiopia, Angola).
- Weekly newsletter. This weekly email to network members covered diverse topics relevant for their business in Africa, designed to engage and inform.
- Country analysis. Freelance contributions to The Economist Intelligence Unit's country briefings on South Africa, covering a range of topics, including elections and industrial action (strikes).
-

- 2008-2009** PPP: Challenge and Opportunity after the Financial Crisis, Henry Teitelbaum (ed.), Chapter 4: Africa, Thomson Reuters, September 2009.
- Africa Country Briefings. These four-page reports, published by African Rainbow Consulting, covered 22 markets in East and Southern Africa.
- Star of Africa™ Index. This weighted index, also published by African Rainbow Consulting, offered an instant and intuitive view of each African country's relative attractiveness to investors and entrepreneurs interested in the electricity, internet and telecommunications, and water sectors. In addition to three dimensions indicating the relative opportunity in each of these infrastructure sectors, the Star of Africa™ Index also provided a ranking for governance and social capital.
