

Sponsor "The State of Microinsurance"

The Microinsurance Network is seeking **sponsorship** for the third edition of its flagship annual magazine: "**The State of Microinsurance**". The **2017 edition** will focus on **microinsurance solutions** to address **climate change**.

The State of Microinsurance is a yearly collection of **insiders' perspectives** on key issues and trends in microinsurance and in 2017 will be published in May.

The first and second editions of the magazine were released to positive acclaim from sector experts: **Downloaded more than 600 times in the first two months of release** and circulated through our 300-strong expert memberships.

- Distributed at **International Microinsurance Conferences, Insurance Europe International Conference, Consultative Forums, European Microfinance Week, the Global Index Insurance Conference and the Economist Insurance Summit.**

- Featured articles written for the magazine by industry leaders such as **Cenfri, MicroInsurance Centre, the ILO's Impact Insurance Facility, Access to Insurance Initiative, Grameen Crédit Agricole Microfinance Foundation, Inclusivity Solutions and Abt Associates.**
